

Thank You Note to a Teacher Recommender

Dear Mr. Stefan,

I wanted to take a moment to thank you for writing my college recommendation. As I mentioned to you already, I have been admitted to Hamilton, Georgetown and Hobart & William Smith. After visiting Georgetown once again last week, I just knew it was the right choice for me. Georgetown has an excellent History Department with a focus on American history and politics, which as you know are my areas of interest. Being in Washington will also allow me to continue to volunteer with my Congressman in his DC office.

When I look back on my time at Friends, I will always think of you. In Advanced US History, you challenged me to write with greater clarity and to think more critically and seriously about current events.

Thank you for your support in the classroom and in the college process.

Sincerely,

Bill
